To Whom It May Concern:

It has come to our attention that Randy Graf, a candidate for Congress in the 8<sup>th</sup> District of Arizona, has repeatedly failed to provide the proper disclosure message on the materials being distributed by his campaign as is required by 2 USC § 441d.

I have enclosed several examples of campaign materials which appear to violate current campaign law:

- A mass mailing in which the "Paid for" disclosure message is located in the return address area of the mailing without the required box around it.
- A vote-by-mail request form which features the "Paid for" disclosure in a miniscule font without the required box surrounding it.
- A copy of the front page of the candidate's website on which the "Paid for" message appears without the required text box.
- Photographs of one of the many signs which have been posted without the required "Paid for" disclosure message.

I would like to file a formal complaint and I ask that these violations be investigated and that proper measures are taken to ensure that Mr. Graf is aware that he cannot disregard federal law in this manner.

## The Republican Plan for Congress

### Securing our Borders

San Diego is a zone leading a serious problem with illegal immigrants. Our frontiers are soaring and our borders are being destroyed by illegal aliens. We are now up our hands and offering amnesty to those who choose to enter our country illegally. This is a wrong solution. We must first enforce our border-existing laws, and then devote resources to this serious problem.

### Restoring the Sanctity of Marriage

Marriage is a union between one man and one woman. This has been a fundamental truth of our society for thousands of years. I believe we must oppose attempts by activist courts and the radical fringe in our society to redefine marriage in any other terms. In Congress, I will stand with the President in support of a Constitutional Amendment to preserve and protect traditional marriage.

### Standing up for Taxpayers

When taxes are the single largest annual expenditure for most families, something is wrong. Stated plainly, Americans are taxed too much. As your Congressman, I will make reducing your tax burden a top priority. I will also work to balance our federal budget by reducing needless "pork barrel" spending. This egregious waste of tax dollars costs American taxpayers billions each year.

### Protecting Innocent Human Life

I believe that our laws must protect innocent human life. In Congress, I will work to restore legal protection to unborn Americans. I will also defend the elderly by opposing any attempt to legalize euthanasia. Whether born or unborn, young or old, healthy or infirm, life is a precious gift from our Creator that we must protect and defend.

# The Koibe Record

Jim Kolbe believes that illegal aliens should be allowed to remain in our country simply by paying a fine and registering. Under Kolbe's plan, these lawbreakers could become eligible for permanent residence in the United States, essentially rewarding them for their criminal efforts.

Source: H.R. 2899 (2003)

Jim Kolbe supports redefining marriage to allow same-sex couples to wed. He is not supporting President Bush's call for a Constitutional Amendment that would define marriage, once and for all. Instead, Kolbe has teamed with Massachusetts liberal Barney Frank and signed a letter calling on every member of the House of Representatives to oppose the Constitutional Amendment.

Source: Kolbe Statement 2/24/2004

While in Congress, Jim Kolbe voted to spend billions of tax dollars on wasteful pork barrel projects. Kolbe claims to be a fiscal conservative, but he has made a career of squandering your tax dollars. For instance, he supported the National Peanut Festival, the Rock and Roll Hall of Fame, and even the International Fertilizer Development Center. In 2003, when our country was facing a budget deficit of over \$300 billion, Kolbe supported an additional \$3.2 billion for even more irresponsible and wasteful spending.

Pig Book 2003, HJR 2, Roll Call Vote 32, 02/13/03

Jim Kolbe has consistently aligned himself with the far-left fringe of the Democratic Party when it comes to issues of human life. In 2003, Kolbe was one of only 5 Republicans in the House of Representatives to vote against legislation banning the cruel and barbaric procedure known as partial birth abortion. Kolbe even refused to punish men who assault pregnant women with the intent of harming or killing their unborn child when he voted against the Unborn Victims of Violence Act, also known as "Laci and Connor's Law".

Dear Friend,

Jim Kolbe has abandoned the Republican Party. In choosing to side with liberal special interests on many issues, the Congressman has made it clear he no longer shares our Republican values. If Kolbe wants to give amnesty to illegal aliens, destroy the definition of marriage, and otherwise turn away from our mainstream Republican principles, Republican voters deserve another choice.

I am running against Jim Kolbe because Southern Arizona Republicans are entitled to better representation. We need a Congressman who will work to strengthen our borders and crack down on illegal immigration, not someone who has sponsored legislation to grant amnesty to illegal aliens. We need a Congressman who will stand with President Bush to protect traditional marriage, not someone who stands proudly with those who want to dismantle the institution of marriage to satisfy their own extreme agenda. We need a Congressman who will fight for taxpayers, not waste your tax dollars on pork barrel spending.

As a State Representative, I have been a strong believer and supporter of the core Republican principles of lower taxes, free enterprise, and traditional family values. I have also led the effort in the Arizona Legislature to protect Arizona taxpayers from the negative effects and real costs that illegal immigration brings to our state. If you vote to send me to the U.S. Congress, I will continue to fight for these important issues in Washington, while never forgetting that I am representing the values of the good people of Southern Arizona.

I humbly ask you for your support in this important campaign to restore Republican values to our seat in Congress. Please join me in saying "no" to Congressman Kolbe's liberal agenda, and together we will restore commonsense Republican leadership to Congress.

## Standing Up For Arizona, Standing Up For You!

Please take a minute to fill out this early ballot request and drop it in the mail. With your support, we will take our commonsense conservative message of secure borders, lower taxes, and traditional family values to Washington, where I will stand up and fight for the values we share.

I left my seat in the Arizona House of Representatives and entered this race because it is clear that our Congressman has abandoned the Republican Party. Instead of standing up for Republican principles, Jim Kolbe has joined with the Democrats to support a dangerously liberal agenda that includes amnesty for illegal aliens and redefining marriage to allow same-sex couples to wed.

Jim Kolbe's extreme positions on these important issues paint a clear picture of how out of touch he has become with Southern Arizona voters. As your next Congressman, I will fight to defend marriage, secure our borders, and eliminate the wasteful spending that Jim Kolbe advocates.

Now I need your support. Most importantly I need your vote. So please fill out the attached card and return it. You will receive a ballot in the mail in August that will let you vote from the comfort of your own home. This civic duty sounds simple enough, but far too many people forget to vote. If you care about these issues then please join me in taking a stand.

Thank you for your time and for your support.

## Randy Graf "Locks Up" Endorsements of Arizona Law Enforcement!

Another stunning setback for 10 term incumbent, Jim Kolbe

(Tucson) In a continued series, Congressman Jim Kolbe suffered another major blow to his campaign against Randy Graf. Another endorsement, this one from the Arizona Conference Of Police and Sheriffs ([www.azcops.org](http://www.azcops.org)) is reflective of Graf's strong support for law enforcement and his tough positions on crime. AZCOPS boasts of over 5000 members including Police Departments in; Benson, Cochise County, Douglas, Marana, Oro Valley, Pima County, Sahuarita, Santa Cruz, Sierra Vista and Tucson.

The Graf campaign is overjoyed to announce the endorsement of the AZCOPS. Earlier Graf received a similar endorsement from the Arizona State Lodge Fraternal Order of Police, demonstrating how State wide law enforcement is squarely behind Randy Graf for the September 7th Republican Primary. Both the FOP and AZCOPS endorsements routinely are awarded to the incumbent and these endorsements have energized Graf's conservative base.

"This only proves that my positive message of stronger border security, less government waste and a get tough approach on crime is resonating with Arizona voters", said Graf from his campaign headquarters in Tucson.

Graf Campaign Manager, Jim Coniglio added, "Now that there is an alternative, people are starting to take a hard look at Kolbe's voting record and they are seeing what we have been saying all along, it's not what Jim Kolbe says that we need to pay attention to, it's his being out of touch on the issues that have people flocking to the Graf campaign.
